

JAG Website How-to-guide

Latest from the JAG

The JAG Website How-to-guide series of documents have been designed as a quick reference for the new features of the JAG website (www.thejag.org.uk).

Where to find this feature

On the Homepage of the JAG website the **Latest from the JAG** area is in the bottom left corner.

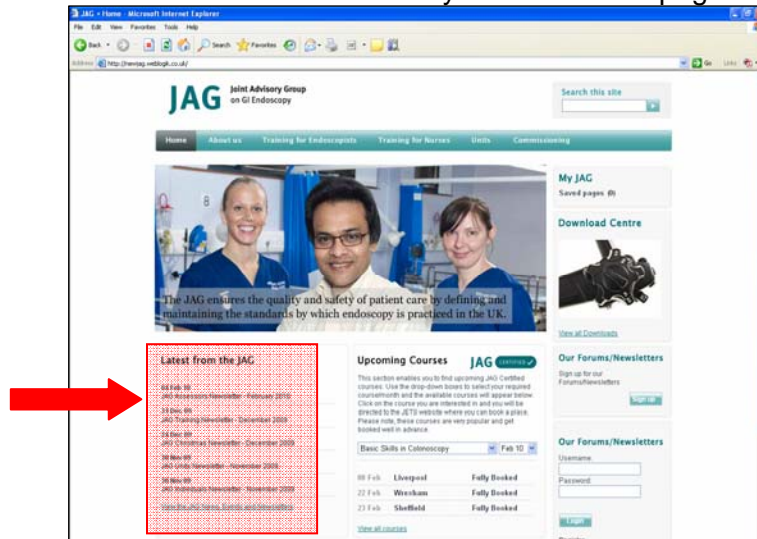

About this feature

The **Latest from the JAG** feature is a new feature that highlights News, Events and Newsletters on the Homepage for quick and easy access.

How to use this feature

There are two ways to access information, as outlined below:

- Click on an item of interest directly from the Homepage as displayed below.

- Click on **View the JAG News, Events and Newsletters** link at the bottom of the list on the Homepage to take you through to the News, Events and Newsletters page, then use the drop down menu as displayed below to search for a specific item.
